HEBREWS CLASS NEW OFFERING!

The book of Hebrews was written to Jewish Christians who were wavering in their commitment to Jesus. They were wondering if they should return to their former faith. The author's emphasis is that Jesus is BETTER. He is superior to the angels, to Moses, and to the priests of the Old Testament. The result is that Christians are living under a better covenant (the new covenant). Along the way, the author gives several warnings designed to encourage believers in Jesus to remain faithful. This 10 week class will explore what it means for us today to remain faithful to Jesus. Beginning March 18 in the Fireside Room. **Teacher: George Fisher**
