

WOLF OR SHEEP?

We need to grow in our discernment

Mathew 7:15-20 (NLT)

False prophets tell us what we want to hear not what it true

1 Kings 22:7-8 (NLT)

We need to make sure we are so familiar with our Bibles that we can discern between what is true and what is false

Matthew 7:21-23 (NLT)

They were surprised to hear that they didn't have a relationship with Jesus

Our words and actions are important, but mean nothing if we don't have a relationship with Jesus

Are we following the real Jesus?
