MINOR PROPHETS - Fireside Room

The twelve books at the end of the Old Testament are called the Minor Prophets. They are "minor" in size, but not in impact. They are written to the Jewish people from various centuries and situations, but one thing they have in common is that they all attempt to help the readers understand God better in a time of uncertainty. This class is designed to introduce the student to these books, to help the student understand not only the big picture, but the God who is at work in the situation, both then and now.

Teacher: George Fisher

GRACE is GREATER - Family Room A

The Grace is Greater study for those that are not in a Life Group or if someone misses a week with their Life Group can go to this class. (It is in Family Room B in the hall by the church office.)
