WELCOME! If you're new to Discover, here are some things you may want to know.

GUEST SERVICES: Please stop by the Welcome Center or Guest Reception in the lobby. We'll do our best to provide information and help however we can. We'd love to meet you! At the Guest Reception in the lobby, we give new guests a coupon to enjoy a FREE beverage at our Global Café. Feel free to bring your beverage into the worship center with you.

WORSHIP SERVICE

Communion: We share communion every Sunday to remember the loving sacrifice of Jesus. If you are a Christian, we invite you to take communion with us. Most weeks we eat the bread and drink the juice as they are passed to us. If it is different this week, it will be made clear in the service. "Gluten free bread is available at the Welcome Center."

Singing: Most of the music we use is contemporary in nature. Please join in offering thanks to God as you feel comfortable.

Message: The teaching is from the Bible, designed to apply to our lives today. If you don't have a Bible, please take one (from the Welcome Center in the lobby) as our gift. If you have a tablet or smartphone please be sure to connect to Live Event each week to follow along with and participate in the message. Simply download the YouVersion Bible application, connect to our guest WIFI (password: [dcc43017](#)), slide or scroll to "Events", search our event by typing in our zip code (43017), and finally open our Live Event and follow along!

CHILDREN: Nursery-Grade 6 are securely checked-in for dynamic, age appropriate teaching and worship. The Children's Welcome Center is the place to start.

YOUTH: High School and Middle School have separate classes at 9:00, and worship at the 10:30 service. For classes, the Youth Center is the place to start.

ADULT ED CLASSES & LIFE GROUPS: Adult Ed classes meet Sunday mornings at 9 & 10:30. Life Groups meet throughout the week. Life Groups and Adult Ed electives are the best ways to connect, grow and make a difference. Contact Jim Brechbuhler at jimb@discovercc.org for more information.

THREAT EXTINGUISHER IMPLEMENTATION

Discover and Tree of Life is in the process of implementing a new program that is a powerful combination of a panic system and a proven effective defense option. The program is called Threat Extinguisher. These are canisters of a tear gas that can be used to deter anyone threatening our attendees or students. This is a system of alerting people in the building there is a threat and its location, notifying the local authorities, which in our case the Dublin Police and defending ourselves from the threat until help arrives. The equipment has been installed but not activated yet. This will be done when the appropriate people can be trained on the best way to utilize the system. In the meantime, please **DO NOT touch** this equipment and remind your youngsters to leave them alone. In the meantime, check out www.threatextinguisher.com for more info.
