

2026

Vision Inspiration

Discover will be launching our church-wide theme for 2026 on Sunday, January 4 @ 9 & 10:30 am!

In addition to our church-wide theme, think about the intentions you have for yourself or your family this year.

Start thinking about how you want to grow and what you want to prune this year!

THE WORD FOR 2026 IS

Spiritual Growth

A habit I will make and
a habit I will break this year is...

Discipleship

Think about family, friends, and community.

I will nurture these relationships by...

I will ask ... to disciple me

I will disciple...

Schedule

I need to make time for...

Wellness

One step I will take to care for my spiritual,
mental, emotional, and/or physical wellness is...

Memory Verse

Copy down the theme verse and
hide it in our heart for encouragement throughout the year
