

HELP BUILD HOPE - AUGUST 12

Since 1999, the Help Build Hope program has produced over 900 homes. That means over 900 families are in homes they can afford because of the generosity of people like you! That is truly amazing! Discover has participated in a number of these events right here on our campus.

WE'RE DOING IT AGAIN – SUNDAY AUGUST 12

This is open to all – all ages – all skill sets – all with hearts to serve His Kingdom.

You, your family, or your life group can worship together at the 9:00 am service and build during the 10:30 am.

OR

You, your family, or your life group can build during the 9:00 am service and then Worship together at the 10:30 am.

Here's a couple of things you can do right now in preparation for this great event:

PRAY: Pray for the family that will get to live in this house and pray for the people that will be building this house (both here at Discover and at the final building site. You might also ask God to bless this event with fair weather.

SUPPORT: It takes about \$8,000 to purchase the supplies we need to do our part. This support comes from the generous people at Discover. In a couple of weeks, more information will be available as to how you can lend your financial support to this cause.

SIGN-UP: Consider how you want to participate – which shift best fits your life scenario:

First Shift: Work at 9:00 / Worship at 10:30

Second Shift: Worship at 9:00 / Work at 10:30

We will also have a community lunch and dedication that day when our work is done (around noon). All are invited. Details on this will be forthcoming.

RED CROSS BLOOD DRIVE

MISSING TYPES~THE NEED IS CRITICAL

Without A's, B's, and O's, we can't save anyone.

You might not realize how important the letters A, B and O can be until they're gone. A, B and O are also our blood types and there aren't enough new people donating them. And when they go missing from hospital shelves, patients cannot receive the lifesaving care they need.

Most people don't realize:

- Every 2 seconds, someone in the U.S. needs blood.
- Less than 3 percent of the population donates blood in a given year.

Discover will be hosting a BLOOD DRIVE for the Central Ohio American Red Cross on Saturday, August 25th (8:30am-1:30pm in the gym).

WE NEED YOUR HELP: DONORS and VOLUNTEERS

(for donor registration, baked goods, and those to monitor the canteen.) This is a wonderful way to get involved (also a great service project opportunity for your Life Group) requiring very little time. Please contact Diana Parish (di575@aol.com), 614-442-9144(H) or 614-563-8221 (C). You can also sign up online to donate at www.givelife.org (site code: DCCdub), or at the table in the lobby.

Thanks in advance for giving the **GIFT OF LIFE.**
