

## CHRISTIAN CHILDREN'S HOME of OHIO MEN'S MISSION TRIP

**October 12-14**

### **WORKERS NEEDED & WE NEED to RAISE \$9,000 by Oct. 8**

Located in Wooster, CCHO does great ministry for hurting children and their families. Kids housed in the residential cottages come out of some of the worst home environments and receive critically needed love and counseling.

Our two main projects this year are to rehab two bathrooms in residential cottage #3, and remove old concrete and pour new concrete outside of the equine ministry barn.

**To complete these two projects, we need to raise \$9,000 to cover construction costs by October 9.**

#### **Here's how you can help:**

--Men...we need workers! Regardless of your skill level, we can use your help!

--Everyone can help towards the **\$9,000**, and we need donations of **food for the workers**.

To donate, please write 2017 CCHO Trip on your check memo line. For food donations, see below.

This year's trip is Thursday thru Saturday, October 12-14. You can go all 3 days or just 1 or 2. Housing and food are provided. Contact Jim Brechbuhler at [jimb@discovercc.org](mailto:jimb@discovercc.org) or 614-889-1572, x36 with your questions or to arrange food donations. Please RSVP on or before October 1.
