

CHRISTIAN CHILDREN'S HOME of OHIO MEN'S MISSION TRIP Oct 12-14

WORKERS NEEDED & WE NEED to RAISE \$9,000 by Oct. 8

One of my favorite things to do each year is the annual Christian Children's Home of Ohio Men's Mission Trip. Located in Wooster, CCHO does great ministry for hurting children and their families. Kids housed in the residential cottages come out of some of the worst home environments and receive critically needed love and counseling.

Our two main projects this year are to rehab two bathrooms in residential cottage #3, and remove old concrete and pour new concrete outside of the equine ministry barn. Because the cottages at CCHO house children that come out of very tough situations, any room in the cottage is subject to anger outbursts, so we'll be rehabbing these bathrooms to handle both anger and upgrade very outdated tubs, sinks and walls. CCHO's equine ministry provides therapeutic counseling for kids ranging from those in abusive situations to kids with physical disabilities. Horses and kids connect, and the equine ministry is a very valuable resource!

**To complete these two projects, we need to raise \$9,000
to cover construction costs by October 9.**

Here's how you can help:

Men...we need workers! Regardless of your skill level, we can use your help! We involve everyone! Everyone can help towards the \$9,000, and we need donations of food for the workers. To donate, please write 2017 CCHO Trip on your check memo line. For food donations, see below.

This year's trip is Thursday thru Saturday, October 12-14. You can go all 3 days or 1, 2 or 3. We'll take whatever days you can attend. Housing and food are provided. Contact Jim Brechbuhler at jimb@discovercc.org or 614-889-1572, x36 with your questions or to arrange food donations. Please RSVP on or before October 1.
