

SIGN-IN EARLY FOR OUTDOOR WORSHIP AT 8:45AM OR 6:30PM* THIS SUNDAY

Dear Church,

If you are healthy and would like to join us for Outdoor Worship this Sunday at either 8:45am on the front lawn or 6:30pm* on the back field, we would love to see you. If you do plan to come, even though we are not placing a limit on the number of folks who can attend, it would help us if you signed in early online below so that we can track attendance for contract tracing purposes.

If you do plan to join us for outdoor worship, please bring a chair, wear a mask, wear a hat for shade in the morning, and bring your church name tag if you have one. Also be sure to wash your hands and pick up a song sheet and your Communion elements when you arrive. If you wish, you can also choose to stay in your car.

Please be aware that in the event of thunderstorms in the area, our evening worship will be cancelled.

Grace and Peace,
Pastor Jeremy
