Pastor's Pen

Dear Church,

The next few weeks will be big and important ones in the life of our church. Not only will we dedicate our newly-renovated Fellowship Hall area on Sunday, February 1st, with an open house from 9:45-10:45am and a special service of dedication at 4pm, but we will also be re-launching our Wednesday night meal beginning at 5:45pm on February 4th.

As we re-launch the meal in an updated Fellowship Hall, we have also decided to give our Wednesday night dinner a new name: from henceforward, what used to be Wednesday Night Out will be called The Wednesday Welcome Table.

I want to share with you a few thoughts about why we are changing the name.

In the Gospels, meal times were ministry times. Many of Jesus' most profound teachings were offered as he was sharing a meal with either his disciples or with new people who wanted to get to know him. Each meal that Jesus shared was a sign, a kind of visual aid of God's kingdom – after all, Jesus offered a vision of heaven's kingdom as a great feast, where all God's people would eat together in fellowship.

All that's to say that in the Bible, the supper table is sacred. Communal dinners were intended to nourish both body and spirit. They were not just about eating food, but about welcoming new people, connecting with others, and growing closer to God.

We hope that our Wednesday night meal will be an intentional time of ministry like that. We want congregation members to see our Wednesday night meal as not just a convenient way to grab some food before moving on to various ministries, but as a ministry and in and of itself. Eating together in the spirit of Jesus is not a prelude to church – it IS what church is all about. The family that eats together, stays together.

With that in mind, we hope the Wednesday Welcome Table will live up to its name as a space of profound, gracious hospitality – where, to paraphrase the words of the Scripture, we can “welcome one another as Christ has welcomed us, to the glory of God” (Romans 15:7). We envision the WWT becoming a place and time where we can invite people from the community who need food or fellowship or faith; a place where new people to the church can connect and get to know others; a place where long-time members who could use a little companionship can look forward to spending time with their friends; and above all, a place where we can encounter God's kingdom together.

The Wednesday Welcome Table is for all who are hungry for good food and holy friendship. So we hope you'll join us beginning at 5:45pm on February 4th, and that you'll come hungry – ready to eat, and ready to welcome and to connect with the people around you. Of such feasts is the Kingdom of God.

Grace and Peace,
Pastor Jeremy

PASTOR JEREMY'S DISCIPLE SCHOOL has

returned. All are welcome to join us in the sanctuary beginning at 6:45 pm for an hour in which we focus on how we can become better followers of Jesus together. Early in the year we are learning how we can draw closer to God through what John Wesley called "The Means of Grace": the gifts of Scripture, Prayer, Community, Fasting, Holy Communion, and Visiting the Poor. Disciple School meets roughly every other Wednesday, with future sessions planned for 1/28, 2/11, 2/25, 3/11, 3/25, 4/08, 4/22 & 5/06.

JOURNEY GROUP REGISTRATION:

Registration for 2026 Journey Groups is now underway! Journey Groups are formed of 8-10 folks committed to journeying together for a year in holy

friendship, prayer and study. John Wesley referred to these small groups as "class meetings"—and small groups have been a part of our Methodist way from the beginning. If you're feeling led to go deeper in faith and connection this year please consider a Journey Group. This year there are 12 groups to choose from with a variety of times, days and people. See where you might find your place and register for your group at <https://guilfordcollegeumc.org/ministries/journey-groups-2026> Or see our station in the Information Center for a group listing and registration forms. Questions? Laurin is always happy to talk with you! lallred@guilfordcollegeumc.org

YOUTH UPDATE

One of the important aspects of adolescence is youth taking ownership for their own development. This is not total responsibility, but each bit of ownership prepares them to be adults. Callie Class (Fr Northwest Guilford HS) started a youth led Bible study for girls. The group of girls would be responsible for advertising through Instagram, lead the devotion, and facilitate discussion. This group of girls meet Sundays at 9:45am at Panera New Garden for the next four weeks.

On Sunday nights, the youth have been talking the last two weeks about how to change the world. One week they talked about the youth group's values (attributes important to the group). Some of the top values were: community, openness, welcoming, learning, and fun. This past week the students divided into groups to discuss possible solutions to social problems. Each group then proposed the solution. The solutions were:

- Refugee Resources – providing a safe 3rd space for refugees to learn from each other and community members
- Puppy Love – finding a way to get unwanted pets and people struggling with depression together
- Banning the "brotherly shove" in the NFL. Petition the NFL to ban this play due to the dangers.

The youth also gather every Wednesday night for fun night. This past Wednesday we had Al Barnett, youth coordinator with African Services Coalition. He talked to the youth about the services they provide refugees. He also talked about the importance of sleep, goals, and having a good team around you during your developmental years.

Thank you for Lucy Gray (10th Grade Grimsley HS) and Andy Watkins (10th Grade Northwest Guilford HS), for being our youth representatives on church council.

The youth will be going on a mission trip to western NC in June. We are looking for some adults to journey with us. Adults are needed to be worksite managers, cooking crew, and chaperones. Please contact Randy Wall (336-707-7183).

February 8th Super Bowl party at the Class residence.

Notes of appreciation:

Each day at Sanctuary House, members and staff work together in a supportive, engaging, and inspiring environment to learn new skills, gain a greater sense of independence and pride, and prepare for a purposeful, rewarding life. When we watch someone move beyond their diagnosis of a mental illness and realize their potential, the joy of their new boundless opportunities is amazing. GCUMC you help make that happen! Your gift from the Christmas Eve offering will continue to make it possible for Sanctuary House to provide the highest quality services and opportunities to our members, their families, and the greater community. Warm thanks and gratitude from Terry Jackson (Chief Philanthropy Officer) and Sana Shumate (Development Coordinator) and everyone at Sanctuary House.

Dear Friends and Partners at Guilford College UMC, Throughout the year, your generosity brings much joy and a continued spirit of caring to the residents living at **Partnership Village**. Your regular presence is something we treasure. Special thanks to you for providing the beautiful Christmas gift bags with gift cards for the single adults at Partnership Village. Also, due to your generosity, we were able to deliver the extra gift bags to some of our former residents. Everyone expressed great appreciation for these holiday remembrances and the very helpful household items and gift cards. We are always grateful for your continued partnership and thank you for remembering our community in such caring and thoughtful ways! Blessings to each and all in the New Year, Gin Reid Hall on behalf of everyone at **Partnership Village**. The joy you bring means the world!!

**Brazos Abiertos has been awarded a \$5,000 grant as part of the
Immigrant Ministry Crisis Fund Grant Program**

The WNCC has established *The Immigrant Ministry Crisis Fund* as a designated fund of the Western North Carolina Conference established to provide financial support to United Methodist ministries in our conference directly impacted by the ongoing immigration crisis. These ministries, rooted in our United Methodist congregations, faithfully serve communities where immigrants are not only neighbors but active members and regular participants in the life of the church. Many have long maintained outreach ministries that offer hospitality, advocacy, and practical care to immigrant families.

In recent months, the escalated presence of immigration enforcement in our communities has caused some immigrant members to choose to remain at home, which in turn places financial strain on several of our ministries. By strengthening these ministries through financial gifts, we ensure that resources are placed in the hands of those within our connection who are most deeply embedded in this work and best equipped to offer compassionate, Christ-centered support. In a time when many immigrants face fear, uncertainty, and persecution, this fund stands as a tangible expression of our shared commitment to justice, mercy, and the sacred worth of every child of God.

Student Minister Andrés Pérez González applied for the grant in order to help the members of the Bilingual Faith Community Brazos Abiertos and those with who we minister, with legal assistance, housing and essential bills for families who have experienced a loss of income because of fear-based work disruptions; mental health assistance including access to bilingual counseling resources; and funds to help sustain core ministry functions during a period of reduced attendance.

Please continue to pray for the immigrant community and the ministry of Brazos Abiertos.
