*"So if you have been raised with Christ, seek the things that are above,
where Christ is, seated at the right hand of God.*

² Set your minds on things that are above, not on things that are on earth,

³ for you have died, and your life is hidden with Christ in God.

-Colossians 3:1-3a

Dear Church,

Back in the olden days of analogy technology, before our digital phones could automatically track and tell us the time, our watches and clocks worked through either springs and gears or quartz crystals paired with batteries. The springs and gears or the crystal and batteries caused the hands on the watch or clock to advance at a steady pace, tracking the seconds as they passed.

Because these watches and clocks worked through mechanical means, they "ticked." And because they were not updated constantly, they would also, over a long period of time, become "off" in the time they told. That meant that we had to regularly wind or "set" the clock or watch: we had to occasionally manually correct or update the time to ensure it remained accurate. Usually this was done by pulling out a knob on the side of the watch and turning it, or by manually advancing the minute hand of a clock.

In order to properly set your watch or clock, however, you also had to have some standard reference which you could go by: some better, more accurate time-keeper that would tell you what time it *actually* was. Often this was done by referring to a public or rail-station clock, or based upon the time you heard on the TV or the radio. There was even an expression used for things or people that were particularly punctual or predictable or reliable: "You could set your watch by it/them."

Even today, our digital phones only keep accurate time because they are constantly sending signals back and forth to sync themselves up with what is called the "Network Time Protocol," which tracks the time using more precise atomic clocks or GPS satellites. It turns out that even digital devices have to regularly set or correct themselves by referring to a higher, better, more trustworthy standard.

Why do I remind you of all this? Because human beings are like faulty time-pieces. When it comes to keeping our focus, over time we have a tendency to drift and become "off." We lose our connection with what is most important. Our minds wander off track. We have a hard time reading reality rightly. We run too fast, or we fall behind. We have a hard time telling accurately what time we are in, and what the time we are in calls for from us. We are like clocks that are always becoming a few minutes off.

What that means is that we regularly need a re-set. And when we do, we need a constant, unchanging, trustworthy standard to re-set ourselves by.

So it is that Jesus' missionary Paul writes in Colossians, "Seek the things that are above, where Christ is, seated at the right hand of God. **Set** your mind on the things that are above, not on things that are on earth."

We used to have to re-set our watches and clocks. We still need to regularly re-set our minds as well. We do this, not by pulling out a crown knob or winding a minute hand, but by regularly returning our attention, intentionally, to Christ. We gather for worship. We read Scripture. We pray. We attend a Bible Study or a Sunday School class or a journey group. By doing so, we turn our minds again to "the things that are above." We sync ourselves once more to that standard of love and truth that is the same yesterday, today, and forever.

Today, seek the things that are above.

Only then will you be able to see the things that are below clearly.

Turn away from the world around you, and turn your mind consciously to Christ.

You can set your watch by him.

Grace and Peace,
Jeremy

Stewardship Principle No.5: Giving to God Brings Me Closer to God. Mark 6:21 says, *"For where your treasure is, there your heart will be also."* Jesus gives us a simple but profound truth: our heart always travels with our treasure. Living generously is the path that pulls us out of ourselves. It disrupts our self-orientation and reorients us toward God and others. It creates space for joy, for connection and for growth. When we give to God, we're not just supporting ministry, we are drawing closer to God.

This Sunday, October 25, is Commitment Sunday, a time we focus on committing our time, talents, and gifts to God and the ministry of our church. Returning your Commitment Card is extremely helpful as we prepare our church's Ministry and Operating budget for the coming year. Returning your card helps our church plan responsibly for worship, ministries, outreach, staffing, and the many programs that serve our congregation and community.

A pledge is more than a financial commitment—it is an expression of faith and a way of saying, "I believe in the mission and ministry of our church." When we each prayerfully consider what we can give, we help our church look ahead with greater confidence and continue doing God's work together.

Your Commitment matters. Your generosity makes a difference.

ACOLYTE TRAINING (GRADES 4-6)

Acolytes serve an important role in worship. The acolytes begin the worship service by bringing Christ's Light into the Sanctuary by carrying the candle lighters and lighting the altar candles. At the conclusion of worship, the acolytes take the Light of Christ out of the Sanctuary as we go out into the world to serve Christ. Grades 4-6 children and their parents are invited to be part of this vital ministry!

We will have an acolyte and parent orientation on Sunday, November 1, at 12:00 p.m. immediately following worship for about 45 minutes to an hour. Training will be in the Sanctuary. Acolytes are scheduled on a rotating basis to serve during the 11:00 a.m. worship service. Please contact Donna at dford@guilfordcollegeumc.org if you have questions.

Current acolytes – your assistance is welcome to help train new acolytes on November 1 at noon.

Classes are held on Wednesday, at 6:30 pm in rooms B5 & B6. If you know an adult who would like to learn English, please bring them to the Preschool

entrance so we can register them. We plan to offer a series of eight classes. Contact Pastor Susan if you have questions, at

ssuarezwebster@guilfordcollegeumc.org.

CHURCH FINANCE UPDATE

At the close of September, our year-to-date Ministry and Operations budget deficit was reduced somewhat, to about \$26K. The Finance Committee is monitoring our financial position on a monthly basis. We are so blessed as you continue to support the important work and operation of the church. We look forward to receiving your 2027 pledge card.

Announced changes to the Finance department continue, with Joel Pollard joining the church staff as Finance Administrator. MinistryWorks has taken over much of our core expense accounting, payroll and reporting. We are extremely grateful for Gloria Brown's willingness to help ease these transitions. If anyone has a question about our current status, please contact Bryan Cobb

"THE POWER OF BEING WITH": PASTOR JEREMY'S DISCIPLE SCHOOL

- This fall, Pastor Jeremy will offer his Disciple School roughly every other Wednesday (on the same nights as the Wednesday Welcome Table) from 6:45pm – 7:45pm in the James Tew classroom located on the long adult education hallway. Disciple School is a time when we talk about how we can grow together as disciples of Jesus. All are welcome, and no advance reading or preparation is required. In the coming weeks we will be drawing on a course developed by Rev. Sam Wells to focus on "The Power of Being With." Specifically, we will focus on how we can, in the midst of our busy lives, learn how to be a little more like Mary and a little less like Martha –to be more still, and to offer more loving attention towards the things and people that matter most in our lives. *(Future Disciple School sessions will be held on 11/4, 11/18, & 12/2.*

The bilingual (Spanish/English) faith community is pleased to have Wilder Rodriguez Santos as the new Spiritual Leader of Brazos Abiertos. Attendance

when we gather to pray and study God's Word has increased since the summer months. There are people attending from Peru, Mexico, Venezuela, Dominican Republic, Brazil, Cuba and the USA. We were blessed to celebrate World Communion Sunday at the 11 am service on October 4th. The worship time and sermon were interpreted using headsets so that we could all be together and glean from God's message.

Last Sunday at the Brazos Abiertos meeting, Wilder led us in a song about Jesus calming the storm. Jennifer Hernández played the piano. As we looked at the scripture passage together, God brought to our minds and hearts that there will frequently be challenges, rough waves that may instill fear in us, but that we can wholly trust our Savior and Lord, Jesus Christ.

Your prayers for our faith community are appreciated.

Youth Update

On Staten Island, NY, there is a restaurant with no professional chefs or culinary school pedigrees. Instead this restaurant uses grandmothers from all over the world to cook and organize the kitchen. This restaurant started in 2007 by a grieving man who recently lost his mother, sister, and grandmother. The story behind this restaurant was turned into a Netflix movie called "Nonnas". The past couple of weeks our youth have been baking with some of our church's grandmas. Thank you to Susan Marshall, Susan Jenkins, and Gayle Class for baking with us. We made flatbread on Sunday and cookies on Wednesday. Jesus declares "I am the bread of life" in John 6. This declaration follows after the feeding of the 5000 and Jesus walking on water. The crowd of 5000 followed Jesus across the lake. The story challenges their notion of "manna". It was a great discussion on what is sustaining and life-giving. This past Sunday, the youth got a presentation from Zac Wall about the social principles of United Methodist Church which led to some great discussions about various topics.

Pumpkin Update

Sales are going well considering the bad Saturday weather. This is the most sales by 10/18 in the 6 years I've been doing the patch. We still need volunteers to sell pumpkins. Please sign up in the welcome center, online sign up genius, or contact Randy. It is great to have two volunteers per shift, so grab a friend to volunteer with. On Sunday November 1, we will be taking down the patch.

Wednesday Fun Night 6:45pm-7:45pm. This is a time for fellowship, an activity, and a short devotion. UMYF youth group will not meet on Sunday, Oct. 25. Join us at the Boo Bash or in the Pumpkin Patch.

Fall Retreat

November 20-22 will be our youth Fall Retreat at Camp Walter Johnson. Please contact Randy Wall for sign up information.

Summer Mission Trip to Atlanta

I am working on a joint mission experience to the Atlanta area to serve alongside Rev. Andres Perez's church (The Nett). Tentative dates will Saturday June 26- Thursday July 1st. The youth will be sleeping at the church. We will need lots of adult helpers for this trip. There will be a need for drivers, chaperones, food coordinators, and project leaders. Please let me know if you would be interested in journeying with us.

It's that time of year, once again! Samaritan's Purse shoeboxes have arrived! GCUMC has participated in this mission for many years along with the United Women in Faith. This year, the children have taken the lead in kick-starting this event for our church. They have already packed approximately 50 shoeboxes as one of their fifth Sunday service project activities! In doing so, whether they realize it or not, they are helping to fulfill our Lord's Great Commission of spreading the gospel to all nations.

Each of us can be a part of this also! Empty shoeboxes are located on tables in the hallway, next to the choir room. Please consider participating in this ministry. Share God's love. Pack a box. Change a life! **Shoebox Collection Sunday is November 22, 2026.** Please bring your filled boxes to the church on or before this date. A donation of \$10.00 is **suggested** to help defray shipping costs. If you wish to donate, please place the donation in an envelope, on top of the items, inside of your filled shoebox.

If you are unsure of how to pack a shoebox, or if you would like to pack a shoebox online, please visit samaritanspur.org. If you wish to pack a shoebox online, here is the link that will take you directly to the GCUMC 2026 goal page: <https://sampur.se/4jBqC9S>. Thank you for helping and serving in Jesus' name!
