

New Worship & Study Emphasis Following Easter

“**WHICH WAY, LORD?**” is a book & resource which is not just informational to learn more about Paul’s life, but provides tools, guidance, and questions for personal application that can shape your life and faith today.

Participation in a 6 week study group involves a weekly reading from the reading book by each participant at home; viewing a 12-13 minute video in your small group; and allowing the discussion guides to assist your conversation. Reading books are \$8 each and available in the church office. Please contact the facilitator below or Donna Ford in the church office to obtain materials.
