

CHURCH OF CHRIST

October 28, 2018

Division... the world can't seem to get enough of it. I can't watch the news, open Twitter or Facebook, read a newspaper article or blog or even have a conversation with some people today without it. We have taught ourselves that there is only one method of intellectual discourse available to us and that's yelling and screaming until the loudest wins out. Although, if we're being honest with ourselves, we really shouldn't expect anything different from the world. It is the home of darkness, evil and the evil one. It is the domain of sin and death. It's very goal is to divide and conquer at the expense of God himself, who is its ultimate enemy.

Division in the world, however isn't really the issue at hand for us. Don't get me wrong, it is an issue, but there is a place where deep division has taken root where it desperately doesn't need to be.

We as followers of Jesus Christ, as members of God's Kingdom on this Earth, are called to many things. Love, kindness and service just to name a few. One calling that we seem to have forgotten is the call to unity. The call to togetherness. Galatians 3:26-28, 1 Corinthians 12:12-13, 1 Corinthians 1:10, John 17:20-23 and the list could go on. Though each of these has a slightly different context but they all lead to the same conclusion... Unity.

So the question is, why aren't we listening? Why have we, the Kingdom of God on Earth, allowed the partisan nature of the world to creep its way into the Kingdom? Why do we not seek the togetherness and unity that is called for over and over again in the new testament? Why can we no longer have intellectual conversations without being hurtful? Why can we no longer eat and fellowship with those who have differing opinions than us, but are just as saved by the Blood of Christ as we are?

At a time like this it is paramount that we, the people of God, exhibit the unity we are called to by our Savior. Is it always easy? Of course not. Is it always fun? Certainly not. Does this mean that guidance and accountability goes out the window? Definitely not. What it does mean is we love, we serve and we give just as our Savior calls us to do.

A unified church is an unstoppable church. A Unified church is a loving church, a growing church and a church that is fully guided by the Holy Spirit. Let us be the example to the world for how community can and should look. May we love and serve impartially, reaching those who are poor, disenfranchised and different all in the name of the one who loved and served us on the cross. When the world constantly chooses division and hate, may we, the saved and beloved body of Christ, choose unity and love in response.

WELCOME

We are glad you've joined us for worship today!

Please fill out the information sheet found in the maroon binder at the end of your pew.

*An attended **nursery** is provided during worship assembly.

***Communion**—We celebrate the resurrection of our Lord every Sunday (“first day of the week”) through a time of communion known as the Lord’s Supper. The “unleavened bread” represents His body and the “fruit of the vine” (cup of grape juice) represents His blood shed on the cross. As our guest, you are welcome to participate, though you are not required to do so.

***Giving**— We are challenged to be good stewards of God’s blessings by supporting the various ministries of the church through a weekly collection that is taken during our worship time. You are welcome to give, but please do not feel as though you must.
