## THE CHURCH

Hello Dear Family in Christ, God bless you all, that's are my deeply wishes to you, thanks God for other year working with you as your missionary here in Tegucigalpa, Honduras, for me and Lourdes we feel very bless to have you in ours lives. Thanks so much for your love and support.

In the Beginning of this year Lourdes and me we were the teachers of the Biblical class during January and February, every Sunday morning in the first time (9-10 am) we have this biblical class and 10:00 -11:30 am we have our worship services.

We also received the visit of a preacher from Nicaragua Bruno Valle, he is very enthusiastic and a very good writer and singer

We started to work on our different inside road, for our children and elderly people with special necessity, also we build new bathrooms and children playground, we also have about 8 classroom for different ages, also a small soccer field.

The church has many brothers and youth whom love to help in construction area and love to clean and fix things inside the church. Our congregation is very organized in differents areas and ministeries.

Others events and activities in the church, Like birthday months pray, special presentation and dedication, preaching and food selling for MP beneficis. Every Sunday as I told you, we have somenting special for each ministry inside the church.

### Methuselah Project

As you know we are very involved with the elderly ministry, we called Proyecto Matusalén, every Sunday we have somethings special for them, also we have in our small office, materials, stove, refrigerator, microwave, tables and chairs for exclusive use for our old people. For this year 2019, we started with meeting and we will do: seminars, workshop for crafts, Bazar, hospital visitation and jail, and other more. Also we help some, with money for medication and some food program.

## Lourdes & Me

Thanks God we are doing well, we have new plans for this year in our marriage, work and church, we are very thankful with you for your love and support, we will continue write you about each one of our plans. Thanks God my family in Choluteca are doing well, asking praying because this year will be so dry and the temperature will be almost 43 ° C, about 109 ° F. and as a family are doing a project, for collect water in underground system.

We will do some visit in different cities, and have benevolence time, this is our goal for this year.

Brothers and Sisters in Pennyrile, thanks so much for your love and support.

In Him
