

Church of the Holy Eucharist

Follow Christ, Love All, Grow Disciples

Stakeholder:

A person who has an interest in and is impacted by the success of Church of the Holy Eucharist.

STAKEHOLDERS FINANCIAL REPORT 2025

Dear Parish Family,

For many years in the life of our church, we have spoken about the importance of Stewardship—the faithful management of the gifts God has given us. We have been blessed by generations of parishioners who have been wonderful caretakers of our church and its ministries with deep love and responsibility.

Today, we want to build upon that beautiful tradition with a renewed sense of purpose and a fresh perspective. In addition to being a steward, you are also a stakeholder of our Parish. A stakeholder has a vested, personal interest in the success of a shared mission.

Our mission at Church of the Holy Eucharist is clear and vital: To Follow Christ, Love All, and Grow Disciples. This isn't just a statement on our letterhead; it is the very reason we exist. It is our "why."

As we look to the future, fulfilling this mission requires the active, prayerful, and joyful investment of every person who is impacted and interested in what God is doing here. It requires stakeholders.

Your presence, your passion, and your participation are essential to the success of our parish. You are not just a spectator or a donor; you are a vital partner in this sacred work.

In the coming weeks, we will share more about what it looks like to be a stakeholder at Church of the Holy Eucharist. For now, I ask you prayerfully to consider this question: "What is my stake in the mission of Holy Eucharist, and how is God calling me to invest my time, talent, and treasure to help it flourish?"

In this Stakeholders Packet, you will see highlights, a snapshot, of the amazing things that have happened here at our parish over the past year because of God's blessings and because of stakeholders like you who cooperate with the Holy Spirit to build God's kingdom here in our midst.

May God bless you, your family, and our beloved parish throughout in the year 2026 and beyond!

- Sincerely in Christ, Fr. Michael McClane

TESTIMONIALS

WHAT IT FEELS LIKE TO BE A PART OF HOLY EUCHARIST CHURCH

"I have been part of Holy Eucharist for over 20 years—nearly my entire life. My younger years spent in CCD, LIFT, service projects, and weekly Mass were foundational in shaping my faith and drawing me closer to God and His word. In more recent years, I stepped into serving in various ministries, joining together with the same supportive community that poured into me for so many years. I first served in the audio/video ministry, streaming Masses to the homebound; then in the café ministry, fostering fellowship after Mass; and later, I began small groups to deepen communion among parishioners. With much encouragement, Holy Eucharist also launched a Young Adults ministry to bring members ages 18–39 together for edifying conversation and fellowship in Christ. I stand on the shoulders of giants—the many generous leaders who served long before me. I'm grateful for their kindness, friendship, support, and example. They have shown me the mercy, renewal, and joy of God shining anew each day, and how we can be that in the lives of others."

–Alex Perricone, Young Adult at Holy Eucharist

"Holy Spirit come, Holy Spirit come now, come now..." Worshipping at Holy Eucharist charges my soul with the possibilities of the Holy Spirit's love for us all: Friendship, smiles, laughter, community, compassion, reverence, beauty, service. God fills me with good things here at our church and empowers me to spread goodness in ways I could not accomplish on my own.

"Lord, send out Your Spirit, and renew the face of the earth." (Psalm 104:30) I truly feel the earth's renewal when I pray with my Holy Eucharist family.

–Denise Erickson, Linen Ministry Leader at Holy Eucharist

"For the past 2 years, attending the Holy Eucharist has transformed my life. Thanks to God, to Father McClane, and to the community, I have felt His love, His comfort, and His mercy every single day.

Holy Eucharist Church is a place where the soul enters one way... and leaves renewed by the peace of God."

–Betsy Portilla, Mother at Holy Eucharist

Observations:

- Weekly collections finished relatively strong at just under \$795,000. They were not sufficient on their own to cover rising fixed costs particularly in utilities, insurance, repairs and maintenance, and diocesan assessments. These are largely non-discretionary expenses and continue to put pressure on parish operations.
- We benefited significantly from other revenue sources, especially special donations and bequests which totaled nearly \$166,000. Without this support, the overall deficit would have been substantially larger. While this generosity is a blessing, it also highlights a structural concern- the parish is relying on non-recurring income to offset ongoing operational shortfalls.
- Expense-wise, salaries and benefits remain the largest operating category and appear to be consistent with parish size and staffing needs.
- Repairs and maintenance, utilities and insurance together represent a sizable and growing portion of expenses. We continue to review with our finance and buildings & grounds committees to identify opportunities for cost control, preventative maintenance, or long-term capital considerations.
- **Net result for the year shows:**
 - Emergency cash reserve growth of \$69,708.45
 - A total deficit of approximately \$(221,665) after accounting for other revenue and expenses. This reinforces the importance of continued financial discipline, realistic budgeting, and clear communication with Stakeholders.

We invite you to take a closer look at the full revenue and expense details.
