

Part-time IT Position:

Springfield First has a part-time job opening (10 hours per week) for a computer help desk person. Knowing how to set up computers and printers on a network, work with storage and system issues, and solve problems are some of the things we are looking for in our IT position. If you are interested in some part-time work, send your resume to Executive Director Lana Salomonson at lsalomonson@springfieldfirst.org.
