

Deliverance

OUT OF THE DESERT

Small Group Curriculum

January 31, 2021

1. Member Care:

What is something you are thankful for this week? What is something you are struggling with this week?

2. Worship & Prayer:

Let's make sure we have a proper perspective on God and who God is. Name your current favorite worship song and share why?

3. Loving Accountability:

Take a few minutes to talk about how each of you are doing at following and fishing? How was your personal time with Jesus this past week, and did you share Jesus with anyone this week?

4. Vision Casting:

Let's remember why we are meeting together. We are called to be disciples of Jesus. A disciple is someone **who listens to Jesus, and does what he says**. (James 1:22) We are here to listen to Jesus and help each other obey.

5. Lesson:

This past Sunday we continued our series in Exodus by looking at the ten plagues and what God was doing through them.

- A. What stood out to you from Sunday's teaching?
- B. What do you think when you realize that God gave even Pharaoh chance after chance to humble himself and surrender to God? Are there people you don't think deserve another chance?
- C. What is the difference between God steering evil toward his purposes, and God engineering evil?
- D. Who is responsible for the evil in our own hearts? What should we do with the warning of this story, that people can cement themselves in a destructive path and reach a point of no return?
- E. How can you make sure that your heart is not hardened, but that you stay humble and surrendered to God each day?

6. Goal Setting:

FOLLOWING: How will you listen to Jesus this week?

FISHING: Share with one person this week one of these realities about God.

Close in Prayer for each other.
