

**ADVENT
CONSPIRACY**
DECEMBER 2019

December 15, 2019:

Advent Conspiracy was founded on the radical idea that we can celebrate Christmas humbly, beautifully, and generously. Advent is the story of a wondrous moment when God entered our world to make things right. It is the greatest story ever told and it changes everything, including the way we celebrate Christmas.

1. What is the most memorable Christmas present you have received? What made it so meaningful?
2. Chances are, you cannot remember all the gifts you received last year. We really believe the best and most meaningful gifts celebrate relationships. What gifts have you given that were really intentional and celebrated relationships?
3. Many times we need to be reminded of this liberating truth: God gave his only Son! God's answers for the world's problems has never been material things, God's answer was himself. He gave himself the most priceless and personal gift of all. What can we learn from this?
4. Read John 1:14-18: What stands out to you about these verses? What questions do you have because of these verses?
5. Relational giving means that we think about the other person, who they are, and what they care about. It takes time though. Why is it harder to give a relational gift as opposed to just going out and buying something random?
6. People matter and the way we give is an expression of our worship. How can you intentionally and relationally give more in your life?
