THE ONLY GOSPEL

Small Group Curriculum

October 11th, 2020:

1. Member Care:

What is something you are thankful for this week? What is something you are struggling with this week?

2. Worship & Prayer:

Let's make sure we have a proper perspective on God and who God is. What is one thing God has revealed about himself to you this week?

3. Loving Accountability:

Take a few minutes to talk about how each of you are doing at following and fishing? How was your personal time with Jesus this past week, and did you share Jesus with anyone this week?

4. Vision Casting:

Let's remember why we are meeting together. We are called to be disciples of Jesus. A disciple is someone **who listens to Jesus, and does what he says**. (James 1:22) We are here to listen to Jesus and help each other obey.

5. Lesson:

This past Sunday we studied Galatians 6:11-18. Read that text to refresh your mind.

A. What stood out to you about this text this week?

B. Sunday Frank talked about how living under grace sets you free from needing validation from others? How can this impact your everyday life? How could this change the way to interact with others? Are you actively seeking validation from the people around you?

C. Paul says the only thing that matters is the 'new creation'. Read 2 Corinthians 5:17: In what ways is God making you new? What old things are gone in your life? What things need to become old things in your life now?

D. How have you experienced the peace and mercy that come with living under grace that Paul talked about in this text?

6. Goal Setting:

FOLLOWING: How will you listen to Jesus this week? Read the book of Galatians once this week.

FISHING: Intentionally share one thing from the Galatians series with someone in your life this week.

Close in Prayer for each other.
