

COMPLETE COMPASSION

Small Group Curriculum November 15th, 2020:

1. Member Care:

What is something you are thankful for this week? What is something you are struggling with this week?

2. Worship & Prayer:

Let's make sure we have a proper perspective on God and who God is. Share the first word that comes to mind when you think about the character of God.

3. Loving Accountability:

Take a few minutes to talk about how each of you are doing at following and fishing? How was your personal time with Jesus this past week, and did you share Jesus with anyone this week?

4. Vision Casting:

Let's remember why we are meeting together. We are called to be disciples of Jesus. A disciple is someone **who listens to Jesus, and does what he says**. (James 1:22) We are here to listen to Jesus and help each other obey.

5. Lesson:

This past Sunday we talked about the compassion of God:

A. What is something you learned, or something that stood out to you about Sunday's teaching?

B. Read Exodus 34:5-7: What do you think the significance is of God using the word compassion to be the first word to describe himself?

C. The Hebrew and Greek word for compassion are closely linked to the word for womb. How does that help us understand compassion?

D. Sunday Frank said, "We can always know the disposition of God when we cry out to him." How should this impact the way we approach God?

E. Compassion is a deeply emotional word but also very active. Compassion is directly linked to forgiveness, pardon, and deliverance in the bible. In which ways can you extend those things to the people in your life? Are there situations right now that require some compassion on your part?

F. Read Ephesians 4:32: What is our responsibility as Jesus followers? What is our motivation?

6. Goal Setting:

FOLLOWING: How will you listen to Jesus this week? Memorize Exodus 34:6 this week.

FISHING: Look for one person so show compassion to this week.

Close in Prayer for each other.
