Band of Brothers Men's Group—Our new study, *Forensic Faith*, will help readers: understand why they have a duty to defend the truth, develop a training strategy to master the evidence for Christianity, learn how to employ the techniques of a detective to discover new insights from God's Word, and become better communicators by learning the skills of professional case makers. With real-life detective stories, fascinating strategies, and biblical insights, J. Warner Wallace teaches readers cold-case investigative disciplines they can apply to their Christian faith. *Forensic Faith* is an engaging, fresh look at what it means to be a Christian. This new study begins on Sunday, May 6, at 4:00 p.m. in the Conference Room.

If you are not receiving the FCN monthly email newsletter, chances are we do not have your email address on file.
