### Monthly Mission Emphasis

#### April: Mission Education

Knowledge is key to involvement. With an understanding of the needs of the world and what the church is doing to meet those needs, we are more likely to commit to the support of missions through prayer, giving, communication, and going. That's why we emphasize Mission Education in the month of April.

Learning takes place in a variety of venues. Experiences, listening to and reading stories, and getting to know missionaries on a personal level enhance mission awareness.
