Band of Brothers Men's Group—Our new study, *Forensic Faith*, will help readers: understand why they have a duty to defend the truth, develop a training strategy to master the evidence for Christianity, learn how to employ the techniques of a detective to discover new insights from God's Word, and become better communicators by learning the skills of professional case makers. With real-life detective stories, fascinating strategies, and biblical insights, J. Warner Wallace teaches readers cold-case investigative disciplines they can apply to their Christian faith. *Forensic Faith* is an engaging, fresh look at what it means to be a Christian. This new study begins on Sunday, May 6, at 4:00 p.m. in the Conference Room.

If you are not receiving the FCN monthly email newsletter, chances are we do not have your email address on file. If you would like to receive the newsletter and other important communications, please visit our newly updated website at www.fcnable.org. On the "Welcome" page, scroll down and click the green "Sign Up For Our Newsletter" button. Sign up to keep in touch with all that is happening at FCN.
