Monthly Mission Emphasis

May: Missionary Medical Plan

Missionaries often live in areas where health risks are higher than in their homeland. Getting adequate health care in a global setting can also be a challenge. Even when proper care is available, the cost may be exorbitant. And in some world areas, missionaries incur high travel costs in getting to where they receive needed medical attention. The **Medical Plan** helps provide for active and retired Nazarene missionaries and their families when medical needs and emergencies arise.
