

Watch Church Service – LiveStream on the Roku

1. Turn on TV and change to Roku input on your TV.
2. Screen to the right should appear after Roku has loaded (may take 20 seconds or so). If it doesn't, please check that you have correct input selected on TV. If Roku software loads, but another screen shows, hit the "home" button on the top right of the remote.
3. Once screen on the right appears, click "right" on the directional pad on the Roku remote to select "LiveStream" app and hit "OK" on the Roku remote.
4. Screen to the right should appear. Click down once on the remote and then once to the right where "Account Search" looking glass icon is highlighted.
5. Select "OK" on the Roku remote.
6. You will see a search screen appear. Search for "abilene first church of the nazarene" (without the quotes)
7. Select "OK" on the Roku remote.
8. You will now see a picture of the front of the church building. Select "OK" on the Roku remote.
9. This will bring you to the "Events" page. Select the "Abilene FCN: Sunday Morning Worship" event by clicking to the right on the directional pad of the Roku remote until the blue and green icon with people's hands raised is displayed. Select "OK" on the Roku remote.
10. From here, you should be able to see a "Watch LIVE" link. If you can't see the "Watch LIVE" link, it means the stream hasn't been started yet from the Church's sound booth. You can also watch any previous service by clicking on "Videos" link.
