**Dear Fairmont Church Family,** We wanted to thank you for allowing us to fundraise at the church for a cause so close to our hearts. Around 2 to 4 children out of a million are diagnosed with Juvenile Myositis, which includes Juvenile Dermatomyositis. Our Felicity and these other children have been blessed to have the Cure JM organization offering grants to researchers and clinicians to find better treatments and a cure! Thank you for helping us bring awareness to this worthy cause. With your help we were able to raise our fundraising goal and surpass it three times. Thank you for your prayers and support. - Jon, Manejé, and Felicity Erickson
