

SPA NEWS

To be a diverse church, connecting our neighbours with Jesus and empowering communities with purpose.

WISE WORDS

Good Friday marks the day on which Jesus Christ was crucified. Death by crucifixion was so agonizing that a new word (Excruciating) was formed to describe it. If a friend or family member of ours went through such pain, we would describe it possibly as horrific, humiliating, inhuman, savage, agonizing or demonic. Yet when our God went through it, we look back and commemorate that day by calling it 'Good'.

So, what is so "Good" about Good Friday?

If we ask Peter, he would say its Good because "He himself bore our sins" in his body on the cross, so that we might die to sins and live for righteousness" (1Peter 2:24)

If we ask John, he would say its Good because "we have an advocate who pleads our case before the Father. He is Jesus Christ, the one who is truly righteous. He himself is the sacrifice that atones for our sins—and not only our sins but the sins of all the world." (1 John 2:1-2)
I've heard a phrase that I find fully encapsulates why this Friday is so "Good", and its: *That the blood of Jesus can reverse the curse of sin and raise the dead to life.*

This Easter season, I challenge you to do more than just invite people to Easter Service. I challenge you to invite your friends, coworkers, acquaintances whom haven't yet received Jesus, into your homes for dinner or board games, so that you can build a relationship with them. Then through you they will get to experience that the blood of Jesus can reverse the curse of their sins and raise them to life as well. Pastor Manvir
