Greetings in the name of Our Risen Lord and Savior Jesus Christ

Two weeks ago I concluded a sermon series about building our lives on firm foundations, the essential practices of our faith. The last practice we studied was on sharing our faith through word and deed. I challenged each member of our congregation to share your faith at least five times a month. Here are some examples of how you might share your faith. Tell someone about what you heard at church or Sunday School. Share a Bible verse you read or, get caught reading the Bible in public. Or, you could simply share something about your faith or church on social media. The second challenge was to invite 5 people to come with you to church during the year. It might be a worship service. You could invite someone to help with a church project or invite them to come with you to a fun event. One such opportunity is coming up during the Easter season. Our church is sponsoring a community-wide Easter egg hunt for the whole family at the Village Green. This is a great opportunity to invite a friend, colleague, children, grandchildren or maybe a neighbor. Pray, then act, and let me know how it goes and how you grow spiritually. I'll see you this Sunday at the church where God's love is made real.
