Missionaries in Focus: Josiah & Ashley Yingling

Josiah & Ashley are part of a team that is planting churches among an unreached people group in South Asia. Their vision is to see the Gospel brought to a people that has never heard it and see a church planted that will be disciplined to maturity. This ministry involves learning the language and culture of a people group, building deep relationships with them, understanding their worldview and preparing Bible lessons to teach and disciple those that believe. They will be translating God's Word into the unreached group's native language.
