

The journey begins!

Imagine the most wonderful blessing you could ever receive, and then multiply it exponentially! That's what God wants to do for you, and in you, and through you.

As you know, we at Trinity Lutheran Church and Preschool have decided to enter into a partnership with Capital Funding Services in order to conduct a capital campaign to expand our ministry outreach.

As our congregation moves into its capital campaign, called Growing for the Future, we're following a process based on Ephesians 3:20-21 "Now to Him Who is able to do immeasurably more than we can ask or imagine...." The campaign will have three distinct phases – Imagine, Inform, Inspire – which will lead us into the final phase, Immeasurably More.

The first phase of our Immeasurably More campaign is called Imagine. We're invited to envision what God wants to do in us and through us, as a congregation and as individuals. We'll talk about ministry, and all that God has planned for our church and preschool.

We'll gain clarity about what God intends for us, and we'll craft a process that will allow each of us to grow in our faith and trust in our loyal God. Imagine is the 'why' and 'how' phase of the campaign. We will be able to articulate exactly why we are undertaking this campaign, and how the process will flow most effectively. The flow of the campaign will start to take shape during this phase. The enlistment and training of volunteers will begin and information about the campaign will be shared. We ask that you would prayerfully consider how God may use you in this exciting adventure.

This Immeasurably More campaign is a spiritual process. Of course, we are attempting to raise money. But even more, each of us will be offered the opportunity to see God in action as we step out in faith and trust in Him.

Imagine that!
