Special Worship Gatherings in November

Every Sunday is a special gathering when we come together for worship. Many of you who have been present at these Sunday morning gatherings have commented on how wonderful it is to experience the presence of God as we worship, and it truly has been beautiful!

It is also exciting to think of the upcoming Sundays when we will have special moments in these worship services to recognize special people and celebrate God's work in their lives. Here is a preview of those upcoming moments.

November 7 – All Saints Day- We will honor our faithful servants who left us in 2021 to be with the Lord. We will give God our deepest gratitude for their lives and for the blessings He has brought us through them.

November 14 – Veterans Recognition Sunday. Here at Trinity at the Well we always recognize our veterans on the Sunday after Veteran's Day as the Sunday before is set aside for remembering our loved ones who have gone on to be with the Lord. It is always a special

moment when our veterans come to the front of the church as we sing the Armed Forces Medley.

November 14- This day is also our faith commitment Sunday where we bring to the altar our financial commitment in giving for 2022.

November 21- Thanksgiving Sunday and this day will be special as we lift up a thank offering to the Lord. This service is designed to be one of where we give our thank offering to God for all the blessings He brings every moment of every day.

I look forward to seeing you in worship each Sunday as we celebrate the abundant life God has given to us through our Lord and Savior Jesus Christ. If you haven't attended because of COVID, now is a good time to come back home and join in the worship celebration.

Because He First Loved Us,
Pastor Steve

Drive Through Prayer

Tuesday, November 16th

3:30 p.m.

Set-up

4:00 p.m.-6:00 p.m.

Drive Thru Prayer

Drive-thru prayer is stay-in-your-car, come-as-you are. The process is very simple and un intimidating.

“Some who may not feel comfortable coming into a church ... feel safe and secure in their car.”

Drive-thru prayer gives them the opportunity to drive through and have their needs brought before the Lord and prayed for deeply by those who serve and know the awesome power of prayer.

Every person who travels any road has needs. “Drive-thru prayer is an easy way to reach out to the community surrounding you, letting people know your church is a place where they will find people to listen, love and pray for them

Piecemakers

Our quilt ministry met last month with nine sewers attending.

Discussions happened about doing more missions locally than we are presently. Cell phone and glasses holders are being made for nursing homes and fidget quilts were also discussed. Those who use walkers may benefit from a walker pocket and a pattern will be forthcoming.

We have two prayer quilts in the midst of being made which we hope to present in December.

With the advent of COVID we have not been able to spread the quilts over the alter rails for people to touch and pray over. Hopefully with time we will be able to do so once again.

A quilt can bring much more than physical comfort. It will hold love and memories, and if it is made from fabrics that already have a history those memories will be even stronger. A quilt made and given with love will help someone through the sad times in their life and enrich the good ones - no matter what it is made of or how well it is sewn.
