NEWS & NOTES

COVID 19: In the event that we are notified of a case of Covid within CEFC, the facility will be closed for two weeks.

NOTE OF APPRECIATION: Over a year since I was in church with you but I have not forgotten what it means to enjoy Christian fellowship. I'm grateful for all of you who remembered me in some way; a card, something made for me, maybe a short phone call. Thanks for all the ways of keeping in touch. Christian fellowship has meant much to me in my life no matter where or when. The Lord's blessing rest upon each in a special way. God's blessing for each as needed. Christian love, Helen Jones
