

Step Up and Plug In

October, 2025

The mission of Carney Evangelical Free Church is to *make fervent and obedient disciples of Jesus Christ (Matthew 28:18-20)*. We desire to develop, empower, and release disciples of Christ for ministry by:

Celebrating in the worship of God,
Communicating the Gospel to our local community and the world,
Cultivating spiritual growth in all believers, and
Caring for people in the name of Christ.

We carry out these 4 values through ministry teams that have been established to help us work together as a faith family. As part of our ***Fresh Start*** sermon series this fall, we desire for everyone to be actively involved in regular worship service attendance and participation in at least one of our ministry teams.

A brief description of each ministry team can be found on the flip side of this paper. Our Human Resources committee would request that you indicate the team(s) that you have interest in or experience with and drop it in one of the offering boxes in the foyer. **Your indication of interest in any area does not commit you to serve or participate at this time.** A ministry team member may be in touch with you soon.
