Summerbrook ChildCARE offers high quality, low ratio care in a Christ-centered environment. We like to say that getting to know our families is at the top of our list, not just “managing” children.

SBCC’s teacher: student ratios are well below SC state average, and that is intentional. We do our best to maintain those low ratios, and it reflects in the care and devotion of our teachers!

Class	SC Ratio	SBCC Ratio
Twos	1:7	1:5
K3	1:11	1:7
K4	1:16	1:8

We never stop learning here at Summerbrook! Our teachers are supplied with continual education classes within their age groups and curriculum. In-service days, training and personal accountability keep us working as a team to the best of our abilities.

Our classrooms use a combination of Faith-Based Pinnacle®, A Beka Book® and Handwriting Without Tears as well as tried-and-true activities proven to bring the best out in early learners.

Pinnacle® is a research-based early childhood curriculum, with lessons that engage children in developmentally appropriate activity centers such as art, physical development (major and minor motor skills), music, movement and circle time (focusing on Bible lessons/memory and early reading, language and math skills). Pinnacle® utilizes long-range goals to reach SC state standards for development and readiness while helping children develop a love for learning while they are growing, playing, and learning God’s Word!

A Beka Book® is built on a foundation of academic excellence and Christian character training. Your child will benefit from these structured lessons that reflect the very best in traditional education, and eternal truths.

Handwriting Without Tears utilizes playing, singing, and building letters. Pre-kindergarten students develop the important skills needed to grip while learning letter and number recognition and formation.

Above all, Summerbrook is a caring, safe, loving and intentional child care program, longing to be the best stewards of the children and families God has entrusted us!

We would love the opportunity to serve your family!
