Restless by Jennie Allen

Do you feel like you're missing something? What if this feeling wasn't a bad thing? It could be a longing for more of God and a catalyst to live the life that was designed before the foundations of the earth were laid. Jennie Allen explains how your gifts, passions, places and relationships aren't random – they fit perfectly into God's story for you.

Hope Unfolding by Becky Thompson

Every day you wake up and try your very best. You love, give, and pour out your life for the ones who call you Momma. But no matter how much you offer, there are still days you feel you come up short. Becky Thompson helps you will gain faith that tomorrow could be different and helps you find purpose right where you are standing today.
