

MCC Supported Missionary Families

2023-2024

It is our vision that Medway Community Church be a diligent laborer for national and international missions, building Disciples for Christ, supporting our missionaries through regular prayer and giving, and sending from our own body those whom God calls into this noble work.

Walfre (Wally) Estrada

Serving with Mission Impact in Santa Lucia, Guatemala

Mission Impact is a non-denominational, evangelical mission agency that works and ministers in Guatemala, Central America sharing the Gospel of Jesus Christ. Mission Impact has nine separate ministries all led by Guatemalans. Their goal is to share the Good News of Christ in a holistic way that ministers to the body, mind and soul, to make disciples of Jesus Christ through the long-term ministries of our two schools, community health projects such as water filters and fuel-efficient stoves, children's clubs, teaching Christian values in the public schools, and helping to train and equip rural pastors with sound doctrine and a deeper understanding of the Bible.

Wally is the Principal of the Vida & Esperanza School, The School of Life and Hope. He plans and organizes all academic activities for the students at Vida & Esperanza. He also represents the school to all of the public organizations and churches. As well as planning spiritual growth activities and discipleship for the teachers and administrative staff.

Kerdoe & Leamon Dwanyen

Senior Pastor, Tappeh Baptist Church

Kerdoe's church mission is to plant new churches in rural areas; to preach the gospel of Jesus Christ, to train believers for the work of the ministry; to establish and run Bible colleges; to be involved in Christian education for children; to distribute Christian books and Bibles; to help other missionaries in their works; and to assist those in need as resources allow.

Address:

Tappeh Baptist Church
Tappita, Nimba County,
Liberia, West Africa

Matt & Laura Gass

(Ilan, Kyla, Nia, Judson)

Serving with Grace Baptist Mission in Kitwe, Zambia
Training & Teaching with Central Africa Baptist University

Matt and Laura moved to Tanzania in September 2012. There they served for almost 10 years doing church planting and discipleship. They are working with the Central Africa Baptist University in the Theological Studies by Extension program. Many local church planters and pastors do not have the access or the means to study at the University; thus, the University goes to them. Matt will be training foreign and local teachers to go out to the villages to teach the pastors. He will continue to teach Bible content, doctrine, and methods of exegesis and support church-planting efforts when feasible.

Bill & Kathy Martin

(Will, Sam, Anna)

Serving with Converge Worldwide in the Capital City of a West African Country

Bill & Kathy Martin were sent out in 2007 as missionaries with Converge International Ministries. After spending a year in Quebec learning French, they've been serving in Dakar, Senegal, West Africa since 2008. Bill's initial ministry was university student outreach through teaching English as a foreign language, and he continues to have a hand in that ministry. Since 2019 Bill has been the leader of the Metro SenWest Initiative, an umbrella for Converge's ministries in Senegal.

For 10 years, Kathy taught art at Dakar Academy, a school for missionary children. In 2022 she stepped out of that role to assist Bill with hosting short term teams, organizing a new summer internship program, and administrative tasks.

Anatoli and Tatyana Redin

Serving in Ryazan, Russia

Bringing the hope of the Gospel to orphans in Ryazan Russia. Visiting orphanages and spreading the love of Christ among these forgotten children. Also, they have opened a Christian Transition Home for orphans who have outgrown the current system and have nowhere to go. Here they are fed, educated, and taught a trade.

Ian & Beka Rideout

(Tom, Kay & Heidi)

Serving with SimAir in Niamey, Niger, Africa

Ian & Beka Rideout reside in Niamey, Niger, Africa. Their three children are stateside in college and working. They have been serving with SIM (Serving in Mission) for over two decades. Ian is a pilot and a mechanic with SIMAIR, the aviation branch of SIM which provides transportation for other missionaries and medical emergencies as part of his service. Beka wears many many hats, including Personnel Coordinator for SIM Niger and as a board member of Sahel Academy School Board (SIM's missionary Children School in Niamey).
