

COMMUNITY GROUPS

Growth | Care | Mission

Every week we gather on Sunday to hear the gospel and we scatter to live out the gospel in relationships with one another. Church is more than a service. Being the church means *growing* in our relationship with God, *caring* for one another, and *living on mission* in the world.

Below is a listing of our current community groups at MCC. Don't hesitate to reach out and connect with a group that meets near you and fits your schedule.
