## News from Session...

The Education & Building Task Force has finished its job of refurbishing the Fellowship Hall and basement. Decorating, painting, repair and decor will now shift to trustees as we begin: church signage, hallway painting, church parlor decor, relocating the furnace, repairing back hall.

Trustees have met to address these things as well as the Children’s Sunday School Room and landscaping.

Steve gave a full pastor’s report and announced his choice for his book study for next Lent! All you interested in Revelation, prepare.

Leeann has submitted her report for the end of the winter/spring semester. Enjoyed was a trip to Atomic City and a program on early fiscal responsibility by Jake Pepper.

Also, you’ll notice she has purchased signs to honor our high school graduates which are now placed on our east lawn facing Main St.

## Mission offering emphasis for May is King’s Kitchen

They’ll be feeding 250 children this summer. There are also opportunities to volunteer in food prep and package food for distribution.

Jenny has placed a **sign-up sheet in Huff Court**. See if there’s a spot for you and sign-up!

**This year VBS will take place on Saturday June 10<sup>th</sup> from 10 a.m. until 2 p.m.**

## News on Camp Noah...

---

As of now we have 17 volunteers! and 20 campers. We expect about 20 more. Well done, organizers! The only need we have from our congregation is **individually wrapped snacks**. Stacey will place a bin in Huff Court to receive your donations.

Of interest—— there will be a **training session** available May 28<sup>th</sup>. Stacey and Janie can give you the details.

**Don't waste your training!**— We have learned you may be of use for other such camps within our region, perhaps in eastern Kentucky and an upcoming camp planned for Alaska! You may be the ark of support for children all around the US.

Camp Noah will be held in Princeton **June 12-16** and on-line registration for campers K-5<sup>th</sup> grade may be found at: [App.campdoc.com/register/campnoah](http://App.campdoc.com/register/campnoah)

Camp will be at Central Presbyterian June 12-16 from 9-3 daily for campers.

Be a part of your church at work by signing up here: [Volunteer Hub for Camp Noah](#).
