

Kids Choir Audition Info

Auditions for all speaking parts, solos, and dance crew will be held on Wednesday, October 15th, at 5pm in the Worship Center. Please prepare by reading over and practicing the below script/song. Memorization is not necessary for auditions, but we will be judging based on familiarity with the material and ease of reading (as well as projection, tone, pitch, etc.).

For Solo Auditions:

Please be prepared to sing the first part of the very first song in the musical, entitled “Jingle Bell Beach.” You may listen to the song on the YouTube link provided on the previous page, or on the Kids Choir Registration page. The words for the section you’ll need to sing at audition are below:

*Old man Winter’s wave shop
is right past Kringle Cove.*

*I love the Christmas season when
the ocean breezes blow.*

*We’ll shred the surf and have some fun
and walk down Sugarplum pier.*

*It’s finally time to celebrate
‘cause Christmas time is here!*

For All Speaking Part Auditions:

Please read through and familiarize yourself with the below scene, which is Scene 4 in the musical. Whether you're auditioning for a lead role, or a smaller speaking part, this is what you'll need to read at auditions. Practice reading ALL of the parts. It would be helpful to get a parent or sibling to read the other parts along with you as you practice.

Scene 4

SANDY: *(concerned)* **Snowflakes, You still look really really hot. I'm going to get you all some cold water.**

ASPEN: *(standing strong)* **We prefer hot cocoa.**

SONNY: *(eyes widening)* **Alright. Three hot cocoas, coming up!**

ASPEN: **Getting nervous, 'Fishes?' *(friendly taunting)* Our winter bliss got you shaking in your flip-flops?**

LILY: **Absolutely not, Snowflakeys. I'm afraid you're gonna melt before the competition tonight.**

ASPEN: *(bragging)* **Oh, we have a secret weapon, you're not going to believe!**

ICELYN: *(whispering)* **About that secret weapon, uhm, Aspen—?**

COCO: *(inquiringly)* **Ooo, what's the secret weapon?**

ICELYN: *(realizing the other groups' members are listening, changing her delivery abruptly)* **It's, it's... gonna be great!**

ASPEN: **You bet it is!**

JANUARY: **And then the Snowflakes will be the champions of "Jingle Sing!"**

LILY: *(playful taunting)* **Except the Starfish will have already surfed away with the trophy.**

SONNY: **Sounds like we might be in for a Reindeer Rumble!**

ICELYNN: **What's a Reindeer Rumble?**

SANDY: **It's a musical sing-off, but we haven't had one in years.**

ASPEN: **The Snowflakes aren't afraid of a little sing-off!**

COCO: **Sounds great!**

FIZZLE: *(jumping in to try to start a fight that just isn't there)*
Oooh! We want to rumble, too! Electrons are the best! Whoo! Goooo, Eelctrons!

ALL: *(pause)*

ASPEN: *(turning to the others)* **I have absolutely no issue with them.**

LILY: *(in agreement)* **Me, neither.**

COCO: *(enthusiastically)* **I love Christmas lights!**

SPARKTON: *(confused)* **But we... we're the best! *(Menacingly)* Don't you want to rumble?**

CATCHER: *(smiling)* **No, dude! We love you, guys!**

FIZZLE: *(at a loss)* **Okay. We'll just *(pause)* practice our song then. *(Fizzles and Spartan huddle on the side of the stage to prepare for their rehearsal. Icemen motions January over near the delivery box to talk privately.)***

ICELYN: *(cheerily)* **Lots of luck! *(changing tone)* Uh, January, may I speak with you?**

JANUARY: **Sure, Icemen! What's up?**

ICELYN: **There's a bit of a problem with our secret weapon.**

JANUARY: **With the snowman? What do you mean?**

ICELYN: **It's... well... let me show you.** *(Icelyn opens box just enough for January to look inside)*

JANUARY: *(blankly)* **What am I looking at? There's nothing in here.**

ICELYN: **Exactly.**
