2 Day & 3 Day Pre - K Morning Classes

Snow & winter! As we start back to school we will be learning about winter. We will use white paint with Q tips on black paper, experiment with shaving cream and learn about snow and ice.

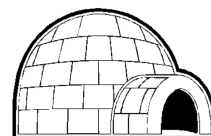

We will begin our study of the Desert at the beginning of February. Later in the unit we will enjoy a presentation by Michelle's Menagerie.

Transitional Class

Our fiesta was so much fun! The children wore their sombreros and carried their lanterns as we walked all around the building knocking on doors to find room at the inn. When Joseph and Mary finally found a place to stay the fiesta began. We broke open the piñata and had a party of Mexican foods complete with hot chocolate!

As we begin our study of the North and South Poles, we will learn about polar animals, experiment with ice and "blubber", and discuss the differences between where we live and the polar regions.
