

## May 2018 Newsletter

### MOTHER'S TEA

The children are looking forward to the annual Mother's Tea on **Thursday, May 10th and Friday May 11th.**

Please come from **9:00-10:00** for a special time with your child. A mom, grandmother, aunt or special friend is welcome. The children have been busy making special gifts and a snack to share with you.

**We will have a special photo op in the friendship room for Moms and children with**

### 2 Day & Pre-K Classes

Now that winter is finally over we will be learning about **SPRING!** We will be planting vegetables in the classroom and when they sprout we will transfer them to our Community Garden!

We will be planting vegetables and flowers—this will be an ongoing project that we will continue in the fall.

We have  
learning  
clinging-a  
you to

### Classroom News

Our Caterpillars have arrived! They will eat and grow and form their chrysalises. Soon they will emerge as butterflies! After the children have observed them, we will release them outdoors.

### Kindergarten Forms

If you have a kindergarten survey to complete, please give it to your child's teacher and we

### End of Year School Picnic

2 day classes June 5th (rain date June 7th)

3 day classes June 6th (rain date June 8th)

We will be having our end of the year picnic at Tot Lot. All details will be announced in the near future.

## Transitional Class

We have finished our study of the African Savannah. We enjoyed a visit from Michelle's Menagerie!

She brought a snake, a hedgehog, a rabbit, a lizard, three canaries, a tarantula, and a dove. We finished the unit with a pretend safari trip.

We will soon begin our unit on "Pond Life" and will be learning about frogs, salamanders, dragon flies, and other animals

that live  
and  
around  
our local  
ponds.

in

We will be taking a field trip
