

HOME MINISTRIES (EQUAL PARTICIPATION PLAN) ASSESSMENTS FOR 2021

Each year your church participates as a member of the Free Methodist Church by providing a percentage of your church income to “Home Ministries”. These dollars go to support the ministry of our Bishops, World Ministries Center, and Free Methodist Communications.

Each year Gateway is assessed its equal share of the national Home Ministries listed budget, based on a formula from the FMCUSA of total income from the conference churches. The Gateway assessment for 2021 is \$121,351. Using the 2019 income reported by your church (with appropriate deductions), the 2021 Home Ministries assessments are listed below.

World Missions commitments are totally separate from either your UMC or your conference tithe.
