

*The Prayer Shawl*

*I want to extend my heartfelt thank-you to the ladies of this fine church for this tender and loving offering of their talents and prayers.*

*It is quite beautiful and when I see it or touch it I will be reminded that you cared about a stranger in this way.*

*God's love is all around us. I know your efforts can help everyone feel it. I think of my dear husband everyday and know that he is now at peace . . . And in good hands.*

*Warm wishes for you and this ministry.*
