

## **DONATE YOUR CAR & OTHER ROLLING STOCK TO EAST WOODS PRESBYTERIAN CHURCH**

Shopping for a new car or other BIG toy? Need to clean out your garage or yard? Donate your old vehicles to the church. EWPC is now taking donations of cars, personal and commercial trucks, boats, trailers, snow machines and motorcycles! These are known as "rolling stock". These vehicles go to auction for resale.

East Woods gets the sales proceeds, and you get the charitable tax donation!

Anyone or any business can donate! Rolling stock in almost any working order is accepted. But to be sure, contact EWPC member Robert (Bob) Pfeifer for further detail. Bob spent many years in the automotive industry and believes this is a great opportunity to generate additional operating funds for the Church.

### ***Frequently Asked Questions***

**How does this program work? The general steps are as follow:**

1. Contact EWPC member Robert (Bob) Pfeifer to make arrangements to pick up the donated rolling stock item. You can reach Bob at (503)381-9787 or by email at [copartsalesoregon@gmail.com](mailto:copartsalesoregon@gmail.com).
2. Transfer the title of the donated rolling stock item to EWPC. Then your work is done!
3. The rolling stock item is placed with a local auction house who handles the sale transaction. Once the item is sold, the action house will disburse a check to EWPC for the sales proceeds less the auction house commission.
4. The auction house will also provide a contribution statement for you, the donor, documenting the sales price. You can then deduct sales price as a charitable deduction on their federal (and state if applicable) tax return.

**Does the donated automobile (or other rolling stock item) need to be in good working order?**

No! We can accept rolling stock in almost any working order. Bob can provide further detail as to the acceptable/unacceptable condition for rolling stock donations.

**Why should I donate my car or other rolling stock item to EWPC? Several reasons!**

1. Donations are tax deductible which means you can deduct the sales price as a charitable deduction on your federal (and state if applicable) tax return. EWPC is a 501 (c) 3 charitable organization through its affiliation with Presbytery USA.
2. Funds earned through the "Donate Your Car" program will be used to further the church's outreach and mission programs *"to seek the Kingdom of God by loving God and others sincerely."*
3. This is a terrific way to get rid of these items taking up space in your garage or yard.

**Why can't I donate other things like household or furniture items?**

At this time, donations are limited to automobiles, personal and commercial trucks, boats, trailers, snow machines and motorcycles. As the success of this program expands, we may expand the variety of items to be donated. Please contact Bob to discuss any items you would consider donating to EWPC.
