Attendance at YouTube **Worship Services**

The Good Shepherd, Jesus, and his under-shepherds (pastors) are here to take care of His flock. During this pandemic it has been hard to know the condition of the flock, because it is hard to know who is worshiping on any given Sunday. We appreciate those of you who have been filling out the attendance cards at our in-person worship services. We have just created a new addition to our website so that you virtual worshipers can let us know when you worship with us. If you go to our website and click on the tab marked Attendance at the top of the home page, you will find a form that looks just like the one in the printed bulletins. Please take a moment to fill it out, so we can do a better job of caring for you, our flock.

God bless!
Pastor Fred

Our Shepherd’s hands will be preparing a main dish on March 28th (Palm Sunday) and handing off our creations to Hope South Florida on March 30th. This month we are preparing a Hamburger mix-up with a vegetable dish to help feed the less fortunate in our

community. Please prayerfully consider what you can do to help this or other ministries during this time of change

5k Color Walk
