

Golden Heart Ranch Volunteer Opportunities

Golden Heart Ranch (GHR) is an inclusive, loving and supportive community that provides young adults with special needs the opportunity to reach their fullest potential and enjoy a dignified, quality way of life through its programs, classes, special events and eventually residential options. We are a property like no other and the only ranch of its kind in the area! A 22-acre destination property nestled in Agoura Hills, Golden Heart Ranch is the perfect setting to teach its "Ranchers" valuable independent living and vocational skills while fostering life-long friendships. GHR recognizes that young adults with special needs have the same fundamental needs as any typically developing young adult and works to promote personal and spiritual growth through work and job accomplishments. We strongly believe in partnering with our communities so that we may continue to create meaningful, purpose-driven opportunities that bridge the gap in all areas of life for our special needs community.

Volunteer Opportunities

- Community Day at the Ranch: Sunday, April 30th 10am-2pm. RSVP required to barbara@goldenheartranch.org.
- On-going volunteer opportunities for large groups (corporations), individuals or families.

Email deborah@goldenheartranch.org for more details. // www.goldenheartranch.org
