We are excited that you are interested in joining us in serving the Lord through His camp ministry here at His Hill. It is an incredible opportunity to share the good news of Jesus as Savior to literally hundreds of young people over the course of the summer. The Lord makes it clear in His Word the importance of reaching out and showing love to children, and each year He faithfully provides a summer staff from all over the world who share Christ's love for young people.

The reason for this packet is to give you a better idea of what to expect in joining us as a volunteer for summer camp. While praying with you and for you about this decision, the information below might help you discern if this is where the Lord would have you for the summer. If you have any further questions, please don't hesitate to contact us. We would be happy to talk with you.

I. The Purpose of Camp

Our purpose at His Hill Ranch Camp is to provide a Christ-centered camp program, which integrates spiritual and personal development by emphasizing evangelism, discipleship, skill development, and a deep appreciation for Jesus Christ and a close relationship with Him.

II. General Information

Jr. staff typically range between the ages of 15-17 years old and serve no more than two weeks during the summer.

1. Our summer begins with a two-week staff training. Staff training is May 27-June 7, 2019.
2. We have ten, one-week camp sessions. Camp dates are June 9-August 16, 2019. The first two sessions are scholarship camps, for children who wouldn't normally be able to afford to come to camp. The next seven weeks are overnight camps for campers ranging in age from 8-18 years old. Weekly sessions are divided by age group. The last week of camp is our day camp, for children ages 6-10 years old.
3. His Hill Summer Volunteers typically receive a gift of \$30 each week.
4. Counselors have two chapel times and two cabin devotional times each day. Support Staff are required to attend three chapel sessions per week.
5. Our focus at His Hill is Christ Jesus. He will use you to minister to the campers, but you will find that He will also be ministering to you. The schedule is demanding for each position, but the Lord can and will provide the strength you need for whatever position He has you in.
6. Although you may apply for the position of your preference, understand that we reserve the right to place you wherever needs arise. We ask our summer staff volunteers to have a willing attitude for whatever the Lord has in store for them.
7. Our camp program is an extension of our Bible School. If you've attended Bible School, camp is a unique experience in which the lessons and principles learned during Bible School can be applied. It is an opportunity to "finish" what you have started. (Note: Bible School is not a requirement to be on summer staff.)
8. International summer volunteer applicants are required to provide a background-check from their country of origin before acceptance. International staff will need to contact their local police

department for information on obtaining this document.

Shirts and shoes are required in the Dining Room.
