CONDITIONS OF ENROLLMENT

The training program at His Hill Bible School is for the earnest Christian who desires to grow in Christ and is sensitive to the many principles of Christian living that are found in the Bible. The Bible School imposes certain specific guidelines for the conduct of staff and students. Although such man-made regulations cannot improve our standing in Christ, they can strengthen the life, discipline, and testimony of both the individual and the school.

1. All students are expected to devote themselves unreservedly to their studies in lectures and study periods and to conform willingly to the time table throughout the whole day. Punctuality and cooperation are essential for the well-being of the whole student body and for personal discipline.
2. All students are expected to help in the duties necessary to maintain the facilities and grounds at His Hill. Duties are assigned to each student on a daily basis, and one afternoon a week is set aside for the entire student body to work.
3. All students are required to complete all assignments. Students must also take notes during classes and participate in discussions.
4. All students are expected to maintain a clean, neat and tidy appearance. Students should show moderation and modesty at all times, no matter what the prevailing fashions may be elsewhere. Body piercings, earrings on men, dying hair unnatural colors, and extreme hairstyles are not permitted.
5. All students live in dormitory style housing. Single housing is not available. Each dorm room holds 2-8 people.
6. All students are required to abstain from practices expressly forbidden in Scripture, including dishonesty, sexual immorality, and profanity. Students are also responsible to guard themselves from sinful attitudes -- jealousy, pride, hatred, gossip, prejudice, impatience, and worldliness. (Galatians 5:19-21)
7. All students are required to abstain from the use of tobacco (in any form), alcoholic beverages and illegal drugs.
8. All students are required to respect all curfews established by His Hill.
9. Firearms are not allowed.
10. Pets are not permitted.
11. Where Scripture does not specifically dictate the believer's actions in a given situation, we are to live in accordance to the principles of love: honoring another believer above oneself, and not engaging in any behavior that might be a cause for stumbling or offense. In addition, students should be careful not to participate in any activity which would deaden the sensitivity of his conscience or hinder his spiritual growth.
12. His Hill reserves the right to dismiss a student who, in its judgment, is harming his own spiritual growth and others around him by not conforming either to the stated regulations governing student conduct or to the expressed principles, policies, and program of the Bible School.

TO BE SIGNED BY ALL APPLICANTS

I fully understand the conditions of enrollment and I agree to unreservedly carry out my studies to the best of my ability, to abide by the required standards of conduct, and to perform my duties while a student at His Hill.

FOR INTERNATIONAL STUDENTS ONLY

In order for a foreign student to study in the United States an I-20 form must be issued from the school, fee for this form paid, and documents presented upon entry. United States law requires that His Hill has in its files proof of financial ability before the I-20 can be issued. Proof of financial ability must evidence the fact that the student has sufficient funds to cover the fees for the school year for which he/she has applied.

A bank letter stating the following is necessary:

- total tuition cost for the school year
- estimated spending money (\$20 per week/34 weeks)
- the student or individual financing the schooling has sufficient cash balance available to cover the tuition and personal expenses.

This letter should be signed and dated by both the bank and individual providing the finances and sent to His Hill with your application.

What if the fees are being paid by two different sources?

You may send multiple letters if necessary to ensure communicating complete coverage of your tuition (ex. if part of your tuition will be covered by a church scholarship).

I-20 and Student Visa Information

Upon acceptance, followed by the payment of a \$500 dorm deposit, the student will receive an I-20 form from His Hill. An I-901 payment form will also be sent, which must be completed and submitted (by mail or online) to immigration with payment for the I-20.

Canadian Students

Canadians must present the I-20 form with a copy of the proof of financial ability and I-901 payment receipt when entering the United States. Immigration officials will issue an I-94 card to be kept with I-20 form and passport.

All Other Students- Student Visa Required

Upon receipt of the I-20 form, the student should promptly contact the United States Consulate in his/her country to obtain a student visa. When entering the United States, the student will present their student visa, I-20 document, copy of the proof of financial ability, and I-901 payment receipt. At that time, an I-94 card will be issued, to be kept with passport and I-20.

Students must comply with all of the above requirements in order to adhere to the United States Department of Homeland Security regulations. Failure of the student to do so may result in refusal of admittance into either the school or the United States.

Please contact His Hill with any further questions. More detailed information regarding the I-20 process will be included with the I-20 form.
