We, the Renter, have read the "Sunset Point General Camp Rules" and will abide by the same. Permanent structures are not allowed on the site unless written approval is given by the camp. We will cut the lawn and keep the weeds from growing in the gravel area of our trailer site. **This site/stall is only for exclusive use of the renter.** If there are periods of time or days that you do not need the stall, you may allow other people to put their trailers on the stall but **they must follow the camp rules and pay the daily rental fee** directly to the camp. The Renter shall also be subject to the camp standards of conduct (see separate document, paragraphs 5, 8 and 9 do not apply).

The site may be occupied by no more than one RV and two vehicles. A tent may be placed on the site in lieu of one of the vehicles. In all cases the RV, vehicle(s), tents, canopies and all other personal property must remain completely within the site and not infringe access to shared fire pits, your neighbor's site, or shared roadways. In the case of larger RVs where there is not space to park a tow vehicle between the RV and the road, only one vehicle may be parked on the site.

We will not hold the Sunset Point Christian Camp Foundation (SPCCF) responsible for any medical or personal injury or any other loss or damage and therefore waive any and all claims against, SPCCF, or its agents, employees, contractors, lessees, or assigns, and we will indemnify any or all of the above persons from any and all direct or indirect losses, claims, damages, or expenses suffered, resulting directly or indirectly from our rental or use of the Facility(ies) and our related activities, whether due to the negligence of said persons or otherwise. We acknowledge that it is our responsibility to ensure that we and our participants are insured against personal injury, loss, property damage, or any other loss or damage that might be incurred by our participants or camper(s). In the event of any injury or illness, we authorize SPCCF personnel, staff or designate to seek and obtain such emergency or medical services for our camper(s) as may be deemed necessary at the time. If conflict arises we agree that the SPCCF has the right to cancel this contract and ask the renter to remove their RV from the property.

I have read and agree to the conditions as stated above
