Standing Firm in a New Season

Scripture: "Put on the full armor of God, so that you can take your stand against the devil's schemes." — Ephesians 6:11

As the seasons change and summer ministry gives way to fall planning, we are reminded that every season brings both opportunities and spiritual challenges. Christian camps are more than recreational facilities; they are places where lives are transformed, hearts are healed, and the Gospel is proclaimed. Because of this, ministry often faces spiritual opposition.

Spiritual warfare is not a call to fear but a call to faith. God has already given His people everything needed to stand firm: truth, righteousness, peace, faith, salvation, and His Word.

As we enter the fall season, we can confidently move forward knowing that the Lord fights for His purposes and His people.

This is also a season to strengthen relationships within our communities. God places camps within municipalities, regions, and neighborhoods for a purpose. Healthy relationships with local leaders create opportunities for partnership, trust, and positive influence.

Let us remember that our greatest strategy is prayer. As we move into the fall season, we invite you to join us in prayer for our camp.

Please pray specifically for positive relationships with municipal leaders, council members, and community partners. We desire to be a blessing to our community and to work collaboratively with those who help shape local decisions that affect our Camp.

Pray that God would:

- Grant us favor and goodwill with municipal officials and staff.
- Open doors for constructive conversations and strong partnerships.
- Give wisdom, discernment, and grace in every interaction.
- Protect the camp from spiritual opposition and strengthen our witness in the community.
- Help us reflect Christ's love, integrity, and servant-hearted leadership.

We believe that God is at work both at the camp and throughout our community. Thank you for faithfully covering this ministry in prayer.

"If God is for us, who can be against us?" (Romans 8:31)

Happy Thanksgiving

As we celebrate Thanksgiving, we give thanks to God for His faithfulness, provision, and abundant blessings throughout the year.

We are grateful for every camper, volunteer, supporter, and friend who makes this ministry possible.

May your heart be filled with gratitude, your home with joy, and your family with God's peace and blessings this Thanksgiving season.

Fall Work Bee

Every Dollar Doubled.
Every Life Changed.
Only 30 Days Left.

The countdown is on. With just **30 days remaining before our Matching Campaign ends on October 31, 2026**, we are inviting our Sunset Point family to help us finish strong.

Thanks to the incredible generosity of our supporters, **$50,519 has already been raised**, bringing us to **72% of our $70,000 goal**. We are deeply grateful for every gift received so far.

But there is still important work to do.

Every dollar donated between now and October 31 will be matched dollar for dollar by two generous anonymous supporters, doubling the impact of your gift. A $100 donation becomes $200. A $500 donation becomes $1,000. Every contribution moves us closer to ensuring that Sunset Point Christian Camp continues to impact lives for generations to come.

Your support helps provide a place where children, youth, adults, and families encounter God's love, grow in their faith, build lifelong friendships, and experience the transforming power of Christian community.

The funds raised through this campaign will help address several urgent and important projects, including:

- Christian Centre roof replacement
- Main Tabernacle roof replacement

- Camp-wide water, sewer, and drainage improvements
- Completion of the Lakeside Washrooms
- Ongoing road and infrastructure repairs

These projects are not simply about buildings and infrastructure. They are investments in ministry. They ensure that future generations will have a safe, welcoming, and sustainable place to hear the Gospel, deepen their faith, and experience life-changing encounters with Christ.

We have 30 days left. Let's make them count.

Whether your gift is large or small, it will be doubled and will make a lasting difference. Together, we can close the gap, reach our goal, and strengthen the ministry of Sunset Point Christian Camp for years to come.

Give today. Double your impact. Help change lives.

Ways to Give

E-Transfer: give@sunsetpointcamp.ca
Online: Donate through our website
Mail or In Person: Drop off or mail a cheque to the Camp Office

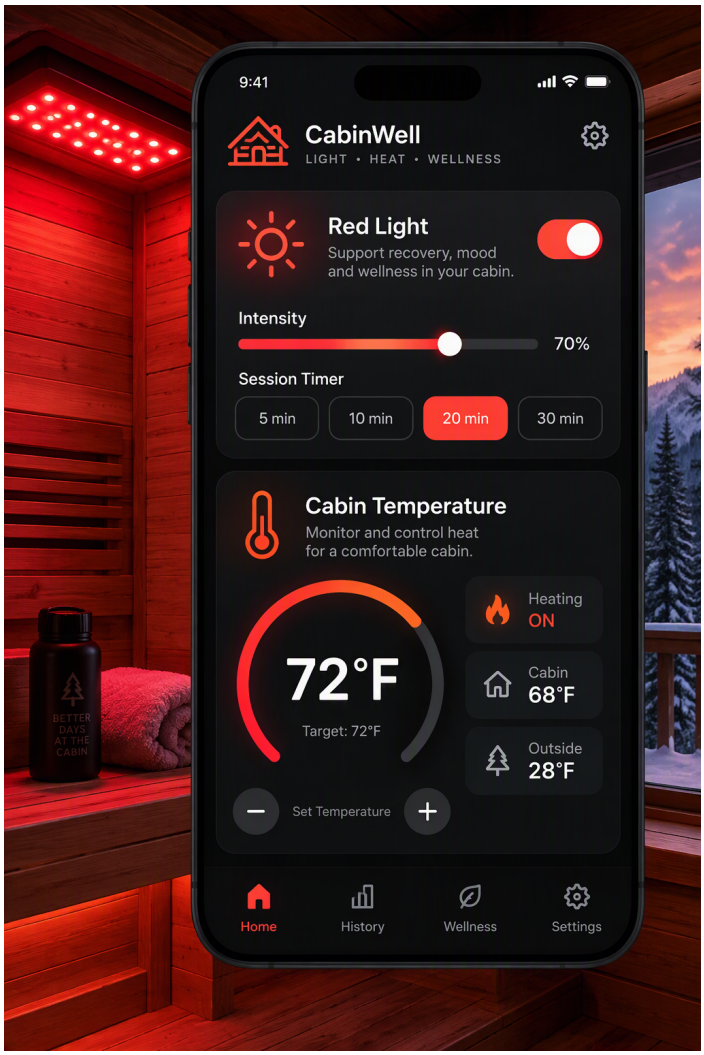

Donations may be designated to a specific project or directed to the area of greatest need.

Thank you for your prayers, generosity, and support of the ministry of Sunset Point Christian Camp.

Should you have any questions, please contact the Camp Director, Mark Evans at mark@sunsetpointcamp.ca

Did You Know?

During the winter months, a red light in your cabin window can serve as an effective low-temperature warning system. If the indoor temperature falls below a pre-set level, the light automatically turns on, providing a visible alert that can be seen from outside. This allows neighbors or staff to recognize a potential issue and notify you before serious damage occurs.

Benefits of a Red Light Warning System:

Easy Remote Monitoring: A simple, visible way for others to keep an eye on your cabin while you're away.

Frozen Pipe Prevention: Alerts you to potential furnace or heating system failures before pipes freeze and burst, helping avoid costly repairs.

Power Outage Awareness: When connected to a backup power source, the light can indicate a heating system shutdown caused by a power failure.

Highly Visible Alert: The bright red light is easy to spot from the road, helping ensure temperature issues are noticed quickly.

Temperature Monitoring Apps: Another option is installing a digital thermostat with remote monitoring capabilities. These systems connect to a mobile app, allowing you to check your cabin's temperature from anywhere and receive alerts if temperatures drop unexpectedly.

This enables you to respond quickly to heating failures and helps protect your cabin from winter damage.

For added peace of mind, many cabin owners choose to use both a red light warning system and a temperature monitoring app, providing both a visible local alert and real-time notifications directly to their phone.

Winter Reminder: Before the cold weather arrives, take time to ensure your heating and monitoring systems are functioning properly to help keep your cabin safe throughout the season.

Cabin & Campsite Matters

Council Meeting:

Please consider signing up to attend a Summer Village Council meeting. Active engagement with our local municipality is important in helping the camp stay informed, build positive relationships, and remain aware of decisions that may impact our ministry and operations. Thank you to everyone who has already signed up!

Council meetings are held on the first Wednesday of each month, with Zoom attendance available for convenience. Your participation demonstrates the camp's commitment to being an engaged community partner and helps ensure we are informed and represented as decisions are made that could affect the camp now and in the future.

To volunteer to sign up: Council Meeting Sign Up

Certificate of Insurance:

A current Certificate of Insurance (COI) must be submitted annually. Please make note of your policy renewal date and provide an updated certificate to the Camp Office as soon as your insurance is renewed.

To assist with compliance, monthly reminder emails will be sent to cabin owners whose Certificates of Insurance are due to expire in that month. Thank you for your cooperation in helping the camp maintain current insurance records and compliance requirements.

Gate Code for Guests:

Guest gate codes are available for guests staying in a leaseholder's cabin or RV stall. Please do not share your personal PIN. Contact the Camp Office to request a guest code.

Pet Registration Form:

All pet owners are asked to complete the Pet Registration Form here: Pet Registration Form Keeping an up-to-date record of pets on site helps ensure the safety of campers, staff, visitors, and other animals.

Cabin Leaseholder, Rental Guest Form:

Leaseholders who rent their cabins are required to complete the Cabin Leaseholder Rental Guest Form. Leaseholders remain responsible for their guests and must provide rental guest

information to the Camp Office for safety, security, and accountability purposes.

Please note that cabin rentals are a private arrangement between the leaseholder and renter. The Camp Office does not facilitate key exchanges or manage rental arrangements.

To remain eligible to rent a cabin, leaseholders must be in compliance with all camp policies and requirements. Cabins that are not in good standing, including those with outstanding taxes, expired Certificates of Insurance, or other compliance issues, will be removed from the cabin rental list and may not be rented until compliance has been restored.

Payments:
For all payments—such as Cabin Taxes, RV fees, services, or other charges—we offer auto-deposit to ensure a smooth and efficient payment process. E-Transfer payments may be sent to payments@sunsetpointcamp.ca. Please include a note indicating what the payment is for (e.g., Cabin Taxes, RV Fees, Donation, Invoice Number) to help us apply the payment correctly.

Burn Pit:
The burn pit is designated for clean wood only. Grass clippings, leaves, and other organic materials should be disposed of in the designated areas marked by camp signage.

Recently, camp staff have observed inappropriate materials being left in the burn pit area, including cardboard, bagged grass clippings, and leaves. Proper disposal of these materials helps maintain a safe and well-managed camp environment. Additionally, there are two cardboard dumpsters on site, one behind the Christian Center and one by the pumphouse to discard caraboard.

The Hillcrest Transfer Station serves the Alberta Beach and Summer Village of Sunset Point communities and accepts a variety of waste and recycling materials. For current hours of operation and a list of accepted materials, please visit:
https://shopthecounty.ca/hillcrest/hillcrest-transfer-station

Thank you for your cooperation in helping keep the camp clean, safe, and environmentally responsible.

Christmas Office Hours:

Please note that the Camp Office will be closed from Thursday, December 24, 2026, through Sunday, January 3, 2027, and will reopen on Monday, January 4, 2027. This holiday closure provides staff with an opportunity to enjoy a well-deserved break and spend time with their families during the Christmas season.

In the event of an emergency, such as a fire, break-in, or other urgent situation, please contact the Camp Administrator at karen@sunsetpointcamp.ca or 780-924-3533 and leave a detailed message. Emergencies will be monitored and addressed as necessary.

Group Highlights

In September, our administration and staff team had the privilege of hosting nine user groups at Sunset Point Christian Camp. It was an exceptionally busy and rewarding month, with activity taking place across the camp. There are eleven groups remaining through to late November and we are incredible blessed by what God is doing in and through Sunset Point Christian Camp.

We are deeply grateful to each group that continues to choose Sunset Point Christian Camp for their annual retreats, reunions, and gatherings. Your partnership is a tremendous blessing, and together we are advancing our shared mission of connecting people to Christ, to one another, and to the life-changing community found here at camp.

RIZN Camp saw approximately 300 youth, in two camps over an eight day period.

Jesus Rock of Ages Camp, holding their annual family camp water baptism service.
